Chapter 1 by ello

i looked under the door i could feel my heart beating loud. i could not scream are someone ever gonna find me.? i woke up from the sound off the tv. the tv was on. not any single program was on. it was like the creepy scene from the ring. i thought about the dream i had. it was about my mom. she was in a cave with no one else but her psycho sister. i thought about it but it could not be true. my mom left us 7 years ago. it could not be possible. when i closed my eyes i heard my moms screams in my head. they were getting higher and higher until i just fell down and everything went black.
